MEMBERSHIP CATEGORIES

Regular Member: \$525

A regular member is defined as any individual employed by a firm or any corporation that is engaged in the packaging of automotive or industrial lubricants and fluids manufactured entirely from or formulated with significant percentages of petroleum-derived components. Packaging includes only commercial packaging and does not include testing, demonstrating or sampling.

Associate Member: \$575

An associate member is defined as any individual employed by a firm or any corporation which does not qualify for regular membership and which is engaged in the manufacture or supply of packaging materials or services to the automotive or industrial lubricants and fluids industry.

Corporate Membership:

Regular-\$2,000 Associate-\$2,300

Companies may purchase a regular or associate corporate membership. A regular corporate membership includes four voting members and unlimited non-voting members. Please list members (*voting and non-voting with titles and location on separate sheet*).
